The screenshot shows a software window titled 'Домены' (Domains). The interface includes a toolbar with icons for adding a domain, deleting an subscriber, deleting a domain, and viewing domain properties. Below the toolbar is a search bar and navigation arrows. A table lists two domains: 'dv.ssw' and 'test.ssw'. The table has columns for 'Имя' (Name), 'Домен' (Domain), and 'Интерфейс' (Interface). At the bottom of the window, a status bar displays 'Строк найдено: 0' (Rows found: 0).
